

# Wilson Elementary School Community Council Meeting

Friday, November 10, 2017

## In Attendance:

Zak Nowell	Marissa Davis
Tina Samuels	Karen Kidd
Shawn Rawlings	Mike Brokaw
Jana Pendlebury	Melissa Iverson
Amy Walker	

## Agenda

1. Welcome
2. Attendance:
  - a. A work order has been put in for a television.
  - b. 5th grade is receiving the attendance award for October. This is for on-time attendance. They will be receiving an ice-cream party today to celebrate.
3. Leader in Me/Leadership Teams
  - a. The teachers have their completed applications for their teams. All of the teams will not “roll-out” on the same day. It is up to teacher discretion of when the best timing is to start their team.
  - b. We are in the process of creating Action Teams. Each member of the teacher Lighthouse team is over an Action Team. Their focus is on assembling their Action Teams. The Action Teams fall under the main headings of “Leadership” and “Culture.”
4. Ebay Grant
  - a. The Global Impact Team at Ebay: In March we can submit for the Spring grant monies. If we use the grants we have written from the past and have everything in place, we can submit the first day that it is open to really show that we recognize the value of the grant.
  - b. Walmart also gives out grants. We could utilize the written grants and submit to both Ebay and Walmart.
  - c. Mike Brokaw is going to follow up on available grants.
5. Newsletter
  - a. Jana Pendlebury has been kind enough to do a SCC write-up each month for our newsletter.
6. Trustlands Plans

- a. We need to look at how our monies are allocated. There is the potential for a \$500 difference higher or lower than the shown total of \$44,396. As a council, it will need to be decided where the monies will come from or go to depending on the amount.
- b. It was suggested that the monies, if necessary, could come from either the technology budget or the professional development. It is important that the grades that have requested the chromebooks get them. Mr. Nowell mentioned that our computer labs are underutilized.
